🎯 How long should I expect my child to be at the rink each day?

- Daily sessions will run approximately 6 hours. They will run between the times of 8:30am – 5:30pm.

🎯 What players will be at the Camps?

- We will not know specific players names until a week before camp starts. Once we know what players will be there, we will send out an email to all participants (so you can pull the appropriate player cards or jerseys out of the closet!)

🎯 What will the on-ice sessions consist of?

- The first session will be geared toward individual skills, such as powerskating, edgework, agility, puck handling, and shooting. The second session will focus on more individual skills as well as team skills, like 1v1's, 2v2's, and scrimmages.

🎯 What will the campers do when not on the ice?

- Besides the two on-ice sessions, campers will enjoy:
 - Classroom sessions– a guest will speak to the campers each day about different components of hockey. It will also be a good time to ask question, and/or get autographs and take pictures with your favorite Blackhawks!

- Off-ice training – We’ve hired expert strength and conditioning coaches who will take the campers through various off-ice training routines each day. Each session will be designed to fit the appropriate age and skill level. Campers will learn hockey specific exercises which will help them improve their skills when they step on the ice.
- Lunch – 45 minute session will be structured and supervised daily. Counselors will test camper’s knowledge with various trivia questions and other contests for chances to win Hawks prizes!

🏒 **How are the NEW Blackhawks Hockey Camps different than the previous Blackhawks Hockey Camps?**

- For years, the Blackhawks Hockey schools were run by an organization that did a fantastic job. However, with the internal growth of the Blackhawks front office, there became a need to bring the Camps in house. There is access to invite players/alumni and staff to camps, as well as reunite the youth hockey community and the Blackhawks!!
